

HEALTH, SAFETY & ENVIRONMENTAL POLICY

Bri-Stor group activities include manufacturing, warehousing, office based activities, onsite services and sales. Two of our principle commitments are to safeguard the health, safety and welfare of all employees and minimise our impact on the local and wider environment. Bri-Stor Group will not compromise on these important matters.

To support these commitments Bri-Stor Group is required to manage our activities, and employees are expected to act, as far as is reasonably practicable, to ensure that we will:-

- At a minimum meet or exceed all health, safety and environmental legislation and regulations.
- As appropriate, communicate with regulatory officials, trade associations and industry groups
- Ensure that all employees understand their responsibilities relating to health, safety and environmental protection.
- Align company operations with good practices in workplace health, safety and environmental protection.
- Identify and address risk in our industrial operations and associated hazards to provide safe working conditions and prevent pollution.
- Support risk management by monitoring work-related near misses, investigate root causes of any accidents or near misses.
- Ensure that the health, safety and environmental impacts of products and processes are reduced to a minimum and work with our customers and suppliers to achieve improved performance on shared objectives.
- Use opportunities from wider health, safety and environmental improvements in products and processes for business benefits, such as optimising energy and other resource-use efficiency.
- Continually improve our management and performance in these areas by setting objectives, targets and plans and investigate techniques and technology, as appropriate.
- Facilitate communication, co-operation, education and training.
- Require contractors and other visitors to comply with all relevant health, safety and environmental requirements.
- Implement and follow company policies and procedures regarding use of alcohol or medications during business hours, and never allow these substances to affect the safety of any employee.

All employees have the responsibility to carry out our daily duties in accordance with Group and business unit rules and immediately report any conditions that are perceived to be unhealthy, unsafe, environmentally hazardous, or socially unacceptable.

In keeping with this policy, Bri-Stor Group is committed to remaining an active, trusted, and socially responsible community member, wherever we do business.

The Senior Management have ultimate responsibility for the implementation of this policy.

THIS POLICY WILL BE REVIEWED ANNUALLY
